

School, Camp & Sports Physical Special!!!

Eagle View Community Health System (EVCHS) is offering school, camp and sports physicals for just **\$35** from June 1 through September 15. This special is available at both EVCHS medical sites. Regular office fees will apply after September 15, 2017 or for a comprehensive annual preventative visits.

(A comprehensive annual preventative visit is more in-depth than a school, camp or sport physical. Check with your insurance company for preventative coverage.)

For your convenience, Eagle View will be at Dallas Elementary School District's registration on July 27 from 10 a.m. to 2 p.m. to conduct physicals.

NOTE: If the student has corrected vision, glasses or contact lenses must be worn to the screening. The student will need to have a current copy of their immunization record with them for the physical.

Preschool through College Age Students Only.

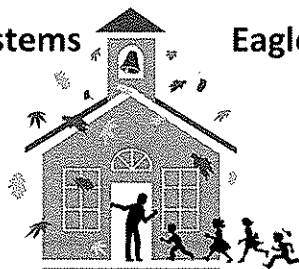

Call now to schedule your appointment or questions and beat the end of the summer rush!!!

Oral Health Reminder: The State of Illinois requires that all kindergarteners, second and sixth graders in public, private and parochial schools have a dental exam sometime during the school year. Dental appts available at Stronghurst & Oquawka!
