Dear Parents:

Eagle View Community Health Systems (EVCHS) is pleased to offer Sports Physicals for upcoming 2016-2017 school year for Dallas Elementary School District. Sports Physicals will be held during school registration on Thursday, July 28, from 2 PM through 7 PM. Physicals will be \$30 with payment expected at the time of service. Eagle View will be happy to bill your commercial insurance company for you, in order to do so please bring your **current insurance card** with you to registration. If your insurance company pays the \$30 charge Eagle View will issue a refund check for your payment. Medicaid insured will be billed for their co-pay, if applicable. Physicals are given on a first-come, first served basis.

The physical will include the following: a general medical exam performed by a nurse practitioner, as well as blood pressure, pulse, height, weight, and vision screenings. Note: If the student/athlete has corrected vision, glasses or contact lenses must be worn to the screening. **The student/athlete will need to have a current copy of their immunization record with them for the physical.**
